

Subject line: Help me run 13 miles in [x days]!

Body:

Just a reminder in just [X] days I'll be running [or walking] the Country Music 1/2 Marathon with Team TobyMac as a part of *Powered by Hope*, benefiting New Hope Academy. I've been training hard and I can't wait to cross the finish line on Saturday! It's getting close, but there's still time for you to be involved.

I need your help to reach and even beat my \$1,000 fundraising goal. Will you donate \$50 [or \$25, \$100, \$200, etc.] today?
